TOP & PREFERRED VENDOR FOR PAST 10 YEARS

- ❖ Working with state bank of india from past 4 years on design and development of 639 e-lessons, 572 e-capsules and 510 m-nuggets
- ❖ Working with State Bank of India for Design and Development of E-Lessons, E-Capsules and mNuggets. Our team parallelly working with 5 SBI Apex Training Centers
- ❖ For BOB and successfully completed design and development of 25 courses in HTML 5

Our team parallelly working with 5 SBI Apex Training Centers, consisting of

State Bank Staff College, Hyderabad

State Bank Institute of Information and Communication, Hyderabad

State Bank Academy, Guragon

State Bank Institute of Rural Development, Hyderabad

State Bank Foundation Institute Chetana, Indore

Design and Development of eLearning Modules for SBI Mutual Fund, Mumbai.

SBI MUTUAL FUND
A partner for life.

- ❖ Design and Development of eLearning Modules for Andhra Bank.
 - Understanding the Training needs
 - Designing the Storyboard in consultation with SME
 - Development of Media Elements and integration of eLearning Lessons as per the SBI Standard guidelines.
 - Final approval by SME and deployment and packing into LMS version.

- ❖ Design and Development of eLearning Modules for Bank of Baroda & Canara Bank
- ❖ We are empaneled vendors for BOB and successfully completed design and development of 25 courses in HTML 5

e-Learning Solutions

- ❖ Design and Development of eLearning Training Courses on various subjects for Government officials.
- ❖ Also, Provided PPT Presentations, Mobile Apps, Scenario based Simulations etc...

Digital India

Listening

English
Language Lab

When?

- Lectures, (note-taking) tutorials, group discussions
- Brainstorming, presentations
- Q & A, instructions- induction, library, Every-day life

Importance

- Improves speaking and pronunciation
- Develops inter-personal skills
- Receptive skill that needs active participation

Tune in!!

- Active listening requires participation not passive reception
- Engage with the sounds & words
- Ensure you are aware of the subject before lectures.
- Read key vocabulary & do background reading
- Mental repetition, Ask for clarification
- Listen to radio, TV other media

Issues

- Uncertain comprehension
- Speed of speech
- Familiarity with local speech (accents and vocabulary)
- Missing words /concepts/instructions
- Lack of confidence to ask for repetition

Biology
Chapter - 1: Nutrition

SSC - Class X (As per new Syllabus w.e.f. 2014-15)

Nutrition in Human Beings → Function of Villi in Human Digestive System

The diagram illustrates the human digestive system. On the left, a blue silhouette of a human torso shows internal organs: mouth, esophagus, stomach, liver, gallbladder, pancreas, and small intestine. A magnified circular inset shows the interior of the small intestine, highlighting the villi as finger-like projections. Each villus contains a network of blood vessels (red for oxygenated blood, blue for deoxygenated blood) and a central lymphatic vessel (yellow). To the right of the magnified view is a microscopic image of villi, showing their characteristic finger-like structure.

Villi

Function of Villi in Human Digestive System:

- ♦ The process of transporting the digestion of products from the intestine into blood (through the wall of intestine) is called absorption.
- ♦ Internally, the intestinal wall contains a number of finger like projections called as villi.

Types of Electrical Tachometers

Magnetic Drag Cup Tachometer

Principle:

- Source angular speed or test shaft rotates the permanent magnet
- An aluminum disc or drag cup is held close to the rotating magnet restrained by a control spring
- When the magnet rotates, voltage induces in to the disc causing angular eddy currents in the drag cup or disc

Drag Cup Tachometer

 **Code and Pixels**

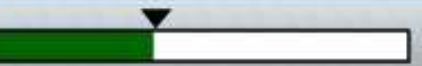

Supercharging

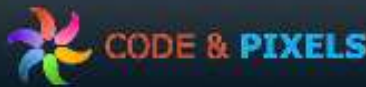

- In S.I. engines, the air fuel mixture entering into the combustion chamber must be increased for obtaining higher speeds
- By running a rotary lobe super charger, the quantity of air fuel mixture can be increased which ultimately has to enter into the combustion chamber
